

# Important Information: Informed Consent for Breast Implants

We care about your well-being and want to help you make informed decisions about your care. That's why we provide easy access to our MENTOR<sup>®</sup> Patient Information Leaflets.

These leaflets have been created in accordance with the Australian Therapeutic Goods Administration guidance for our breast implant and breast expander products.

To learn more, click on the link below next to the appropriate tick box and review the documents. Afterward, discuss any questions or concerns you may have with your surgeon.
